Polygon Finishing & Contracting

Our **Mission** is to establish and retain highly satisfied clients by offering effective and functional space designs and turning them into luxurious executions.

Our **Vision** is to become the standard upon which the design & furnishing industries are benchmarked against.

“Quality On Time Every Time”

Values:

- **Ethics**

Our ethics are the basis of our actions. No matter the task, we are uncompromising when it comes to working with integrity, honesty and fairness.

- **Quality**

Our reputation lies in the quality of our projects. We work closely with our clients to plan, design and implement projects that align with their vision and needs.

- **Innovation**

We believe in constant development, which is why we are always on the look out for the latest technology, tools and methods that allow us to achieve and implement noteworthy and innovative ideas, designs and project executions.

**“Every Team Member
Adds to the Polygon”**

Business Specialties

- Design

Our Architectural & Interior functional designs are tailored to create comfortable and productive spaces that best serve our client's goals. Our design process includes, cost studies, time schedules, structural and electro-mechanical outlines, as well as furnishing executions required to achieve a fully integrated project design.

- Fit-out, Contracting and Finishing

Our specialized engineers use the latest methods and technology to achieve the highest levels of execution that compete with and exceed global quality and standards in every sector we operate in.

- Furnishing

We provide a full-fledged furnishing service, furniture selection, fabric, art, and design custom furniture. Additionally, we order, coordinate, style and manage delivery and installation of the furniture.

- Renovation and Maintenance

To ensure the longevity of your spaces, we offer specialized renovation and maintenance solutions at competitive pricing.

“Polygon Finishing and Contracting” works in four main sectors: Corporate, Retail, Hospitality and Residential.

The following is a glimpse of our work in each sector.

A wide-angle photograph of a modern restaurant interior. The ceiling features a large, circular, multi-tiered chandelier with numerous gold-colored rods and cylindrical shades. The walls are primarily white marble with gold-colored accents and recessed lighting. A long, white marble bar counter runs along the right side, with a built-in shelving unit above it displaying various vases and decorative items. The dining area is furnished with round and square tables, some with gold-colored legs, and upholstered chairs in shades of grey and tan. The floor is highly reflective, showing the surrounding environment. The word "Hospitality" is overlaid in the center in a white, sans-serif font.

A photograph of a modern residential interior. The scene shows a hallway with a polished, reflective floor. In the background, a black grand piano is visible. To the right, there is a wall with a dark, patterned wallpaper and a large, gold-framed mirror. A chandelier with long, thin, curved arms hangs from the ceiling. The overall aesthetic is sophisticated and contemporary.
